To Whom It May Concern

Re: Reference for Nan Ohmar Wai

This letter serves as a reference for Nan Ohmar Wai, who commenced with Interlinc New Zealand Limited, on a contract basis as Social Content Creator on 12 January 2026. Nan has been working remotely to support content creation across five Facebook pages for our Pacific markets. Her initial contract ran through to 10 April 2026 and has since been extended to 11 May 2026 while we complete recruitment for a full-time in-country placement in our office.

During her time with us, Nan has proven to be diligent, organised, and dependable. She is well articulated, communicates clearly, and consistently meets deadlines. She is also responsive to feedback and adapts content where required.

Nan works professionally at all times and has been easy to work with remotely, requiring minimal supervision while managing content across multiple pages and meeting agreed deadlines. She demonstrates strong organisational skills, clear communication, and a helpful attitude in supporting the team.

I believe Nan would be an asset to any business looking for a well-educated, professional graduate who is organised, reliable, and quick to adapt. We would have been pleased to consider her for a full-time role had she been based in the Pacific, as she has been a valued support to our team.

I am happy to provide further information if required.

Yours faithfully,

A handwritten signature in blue ink, appearing to read "Ma Hall".
